The Director
Central Intelligence Agency
Washington DC 90505

Dear Sir:

I believe there is a dossier of me in your agency, dating back to 1965 or earlier.

I would like a copy of this dossier, please, including computer citations; this would be under The Freedom of Information Act.

Though I have never been arrested on a morals charge (or any other kind of arrest, either), this is of a morals nature.

It all commenced at Camp Pendleton over a relationship I had with a young sailor stationed there. But it has turned into a vendetta against me on the part of high-ranking military men, notably General Cushman, formerly with the C.I.A., who was Commandant at Camp Pendleton in 1965, and is currently Marine Corps Commandant. I believe the feeling of revenge comes over my previous efforts in 1963 to prevent my being fired on Camp Pendleton and to be reinstated after discharge. (President Kennedy's untimely death prevented my reinstatement).

So, if you will be kind enough to send me information you have on hand or available regarding me, I will be most grateful.

Sincerely yours

Charles C. Brock

Charles Culver Brock

PS: The full, original, unabridged dossier may still be filed at the Marine Corps "paper dump" in Bellflower (?), California.
